Mr. F. W. Heller  
1324 St. Nicholas Avenue  
New York City

Dear Mr. Heller:

We are now ready to make a change in our exhibitions, which I told you would be about the beginning of the year. I wish, therefore, at your convenience, that you would remove the Red Cross material, as we would rather that you do it than attempt it ourselves.

In behalf of the Society, I wish to thank you for your courtesy in loaning us this exhibit.

We have noticed an increase in school children that have been in here the past month, due probably to the publicity you have given us.

Wishing you the compliments of the season, I remain,

Very truly,

Curator.
